

Fellows of the Alexander von Humboldt Foundation who wish to participate in the International Symposium on Foraminifera, Forams 2010, may ask for financial support in the framework of the foundation's regular alumni sponsorship programmes. After a positive decision, daily allowances for the duration of the conference as well as the congress fee will be covered. It is a prerequisite that the fellow has an active contribution in the conference. The request for a conference allowance can be coupled with a research stay of up to 30 days. Unfortunately, travel expenses cannot be covered.

More information and request forms can be found at

http://www.humboldt-foundation.de/en/programme/stip_aus/stp_03_03.htm.

Please send the complete application to your contact person in the Alexander von Humboldt Foundation.
